Dear Michael,

On behalf of the Board of Trustees, as well as the village residents, I am writing to thank you for hanging the swag light decoration across Sullivan Street. It certainly has contributed to the festive feeling.

We are most grateful too, for your generous offer to volunteer the labor costs for the installation. It is individuals like you that make our village so pleasant a place in which to reside.

With our warmest wishes for a happy and healthy holiday for you and your family.

Sincerely,

Michelena Maher  
Mayor
